PREP PERSONAE

*The past is my heritage.
The present is my responsibility.
Now I must prepare,
For the future is my challenge.*

*Our hero is a man of peace,
Preparedness he implores;
His sword within its scabbard sleeps,
But mercy, how it snores!*

Theodore Roosevelt

*Delay is never fatal
to those who are prepared.*

*If you have shed tears,
prepare to shed them now.*

*To dream beautiful dreams
and to strive for them
with all your heart,*

*To take your talents
and use them wisely and well,
to love, to laugh,
to give with joy,*

*and to look forward to each tomorrow...
This is what it is
to truly live.*

"S2 ROYALTY

QUEEN
Miss Kathy Cusic

Homecoming 1982 started with an assembly on the last day before Christmas vacation. The five members of the court were revealed and given a yellow silk rose.

The girls and their escorts were presented officially on January 30 before the Varsity game against Norwalk St. Paul. The ceremony was set in low lights and wicker chairs. The mighty Spartans won against the Flyers 77-46.

The next item on the Homecoming agenda was the dance held in the gym on February 14. The theme was 'stairway to heaven' and the gym was decorated with sparkle, stars, and clouds. The boogiers danced to the band "APPOLO".

The 81-82 season proved to be another fine one for this young team. Led by six senior netters and one junior, the team has fashioned a regular season of 50-7 during the past three seasons, 15-2 this fall, 17-2 last fall, and 16-3 in 1979. Counting Sectional team titles, the record rises to 71-7. The girls had the doubles champ and runner-up in the sectional this year, the singles and doubles and doubles runner-up last year.

BOYS' GOLF

This year's golf season proved to be a very tough one. The team played a very long and competitive schedule in which they contested mostly with AA and AAA golf powerhouse high schools.

The bad weather presented the team with practices starting late in the year and many matches had to be postponed. The season started off poorly, but the team finished strong by placing fourth in the sectionals.

The upperclassmen dominated the Varsity positions this year but the underclassmen are very challenging. Head coach Jeffrey Strang coached the Varsity to a 9-10 record and the reserve team to a sparkling 10-3 charting.

Golf Team Coach: Jeff Strang
Brian Scherine, Jim Sweeney, Bill Mokrocek,
Don Zarbas, Tony Marinella, Tim Sweeney,
Tom Powell, Randy Yeager, Jeff Genter,
Tim Blunk, Bob Marinella, Dave Thompson.

The first of the three photographs shows a person in a light-colored shirt and dark pants, bending over to pick up a golf ball on a green. The person is seen from the side, and their shadow is cast on the grass. A small white circle is visible in the bottom left corner of the photo.

the 1990s, the number of people with a diagnosis of schizophrenia has increased in the United Kingdom (Meltzer 1997).

There is a growing awareness of the need to improve the lives of people with mental health problems. The Department of Health (1999) has set out a vision of a new mental health system, which will be based on the following principles:

- People with mental health problems should be treated as individuals, with their own needs and wishes.
- People with mental health problems should be given the opportunity to participate in decisions about their care and treatment.
- People with mental health problems should be given the opportunity to live in their own homes and communities.
